 - b. With respect to claims 2-7, 9 and 11, the claims have been allowed due to its dependency on claim 1 above.
 - c. With respect to claim 12, the claim has been found allowable over the prior art of record because the prior art of record fails to teach or fairly suggest an image forming apparatus comprising a developer supplying unit disposed in contact with a developer carrier wherein the developer of black color contains more charge control agent than developers of other colors so that the developer of black color is more chargeable than the developers of other colors in combination with the remaining limitations of the claim.
